WHAT A YEAR WE HAVE BEEN THROUGH TOGETHER.

2020 was a year for the record books in so many ways. It was a year of discord, a year of isolation, and a year of significant unrest and upheaval. But it was also a year of innovation, resilience, and reexamining our priorities to focus on what matters most. **2020 was a year that reminded us that we can do hard things when we put our mind to it - and that regardless of who we are, where we're from, or what we know, we are all interconnected.**

Nowhere has this been more true than at Red Oak. Revenues have been down, stress has been high, schools have been opened and closed, and we've all been running on a bit of an empty tank. **Yet over and over again, our team has risen to the occasion to rebuild our framework in this "new normal".** They innovated in their work, provided support and encouragement to one another, and doubled down in their commitment to the clients who count on us for care. They delivered 10,000 meals to homebound clients in our care, and led Google Classroom training for their clients and their peers. They facilitated therapy sessions in parks and through porch screen doors. They practiced coping skills using virtual cooking demos, and held masked sessions with kids and families on living room rugs.

In the midst of 2020's collective trauma, they were the embodiment of resilience and grace.

As we begin 2021, our hope is we can all breathe a little deeper, be able to hug our loved ones, and feel a sense of connection to not only our friends and families, but also to our communities. **It won't be an easy hill to climb, but together we can do hard things.**

We thank you for your partnership and for all the support you provide to ensuring we 'meet children where they are!' **We are truly grateful for you!**

TOGETHER, WE CAN CONTINUE TO HELP CHANGE THE LIVES OF CHILDREN AND FAMILIES IN GREATER AKRON BY DELIVERING SERVICES THAT MEET OUR FAMILIES WHERE THEY ARE.

Sincerely,
Megan Kleidon

Riding The Crest

Valued at: \$1,400 | Donated by: Dennis Kleidon

Dennis Kleidon paints on canvas and archival paper, bringing abstractions to brilliant life on meditative backgrounds that serve to increase their power. 'Riding the Crest' is linked to nature, inspired by decades of sailing in the turbulence of crashing waves and the unpredictable forces of wind on the sails. His work captures the live motion of the artist's hand, layering spontaneity with control, and in that way, inspiring the viewer to see a fresh reality. Dennis's work has been exhibited all over the world, most recently in New York City at the Walter Wickiser Gallery where his exhibit, Unleashed Transformation, was widely praised. Dennis Kleidon is the author of, "Unleash Your Imagination: Transform Your Life." His book takes the reader through a journey of self-discovery, showing how innovation and optimism can be transformative. This package will include a signed copy of the book.
