Provides gifts for Children	20 Children	10 Children	5 Children	1 Child

How we offer year round support...

Back-to-School: Our Back to School efforts supply our clients with the essentials they need to start a new school year. Red Oak provides filled backpacks and uniforms for our clients most in need. Referrals are made by Red Oak therapists and case managers in the field who have been working with their clients throughout the summer months which allow them to identify their most in-need clients.

Thanksgiving Meals: Red Oak provides between 250-300 meals each year to those in our care who lack the resources to afford a holiday meal without our support. Therapists and case managers identify some of our highest-need clients and families to receive a Thanksgiving Meal from the agency. The meal includes a turkey and all the fixings for the family to share together. This project is fully funded by the community.

Holiday Giving Tree: The Holiday Giving Tree partners community members with children in Red Oak's care to provide gifts during the holiday season. Each donor receives a wish list from a child we serve and then has the opportunity to shop and wrap. Through this partnership, Red Oak is able to provide over 100 children with gifts during the holiday season.
