VOLUNTEER OPPORTUNITIES

iC.A.R.E. MENTORING

Red Oak's iC.A.R.E. Mentoring program matches adults to volunteer one on one with local students in Akron, Barberton, Cuyahoga Falls, and Tallmadge. Mentors give back to the community by serving as role models, and safe and trusted adults for a child. In the 23-24 school year iC.A.R.E. served nearly 200 students across four districts, and looks forward to serving even more students this year!

iC.A.R.E. provides background checks, training, and ongoing support for all volunteers! If you are interested in learning more about this opportunity, [please click here to sign up for a free 30 minute information session.](#)

Camp Acorn

HOLIDAYS & EVENTS

There are lots of ways to get involved with holidays and events at Red Oak. We are looking for volunteers to:

- shop for a child's holiday wishlist
- sponsor a snack or supply drive
- join the planning committee for our annual Where Love Grows fundraiser

CAMP ACORN

In summer 2024 we piloted our first "Camp Acorn" event, and it was a huge success! Camp Acorn brings together local businesses and organizations to sponsor and join a fun afterschool activity for our clients and staff. This provides a great opportunity for your team to volunteer as a group and learn about our mission. Camp Acorns occurs once a month, and we are excited to get your organization signed up!

**PLEASE EMAIL CELESTE TANNENBAUM AT
CTANNENBAUM@REDOAKBH.ORG TO LEARN MORE
AND GET INVOLVED!**
