

## COLLABORATION WITH CORPORATE PARTNERS

### CHASE BANK EMPLOYEES VOLUNTEER THEIR TIME

The Chase Bank staff members walked into the building with their arms full of boxes and bags. They were ready and excited to lead activities for our clients! While some bankers led “minute-to-win-it” type games where clients practiced taking turns and self control, others led activities focused on financial management where clients earned pretend money and talked about budgeting. Clients and staff participated in the activities together, and had a great time! We appreciate the amazing volunteers from Chase Bank, and are excited to continue to share our mission to empower students and those who support them.

### SUPPLY DRIVE

After hearing about the needs of our clients and how staff often purchase items out of their own pockets, Chase Bank Branch Managers worked together on a donation drive. These ranged from personal hygiene products and snacks, to fun games and fidget toys. Our staff are so excited to share these awesome supplies with the students they work with!

**Are you interested in your company or organization volunteering with Red Oak? Please contact Community Outreach Coordinator Celeste Tannenbaum at [ctannenbaum@redoakbh.org](mailto:ctannenbaum@redoakbh.org) or (330) 815-2614.**
