MENTAL HEALTH SUPPLY DRIVE

What do notebooks, fidget toys, markers, and play-doh have in common?

They are all items that we are collecting for our Mental Health Supply Drive in honor of May's Mental Health Awareness Month! We recently polled our staff, and asked what supplies would help them to provide better care for their clients. They mentioned all sorts of items, from notebooks to help clients learn to make lists to better manage time and tasks, to fidget toys to help them cope safely and avoid destructive behaviors, to markers and play-doh for creative outlets when talking isn't enough.

Most Requested Items:

Markers, Tempera Paint, Construction Paper, Fidget Toys (Stress Balls, Squishies, Little Ouchies, etc.), Notebooks (big or small), Noise Cancelling Headphones, Slime, Play-Doh, and Hygiene Items

How can I get involved?

DONOR TREE

In the Fall of 2024 we reopened our building and we are grateful every day to get to serve the community in such a beautiful and trauma-informed space! While we have raised most of the funds for the building, we are capping off the project with our Capital Campaign Donor Tree. The donor tree, featuring a beautiful mural by local artist Kimmy Henderson, is your chance to make your name part of the Red Oak story for many years to come.

To purchase a leaf for the donor tree, [please follow this link](#) or visit the "Be a Donor" tab on our website.

Small leaves may be purchased for \$100, and large leaves may be purchased for \$500. We will order leaves at the end of May, and look forward to having a piece of art that honors the many members of the Red Oak community!
